RECORD DATE

In accordance with the statutory provisions parties entitled to attend and vote at meetings are those persons who (i) on **Tuesday 30 April 2024**, after processing of all entries and deletions as of that date (the “Record Date”), are recorded in a register or sub-register as specified below and (ii) were recorded in the manner outlined below. The records designated as registers or sub-registers are those held by brokers as defined in the Dutch Securities Giro Act and the shareholders’ register as kept by the Company, which show who is entitled to attend and vote at meetings at the Record Date.

REGISTRATION AND ACCESS

Eligible meeting participants or their authorised representatives can attend the meeting on condition that they have registered. To secure registration they need to register with ABN AMRO via www.abnamro.com/evoting or via their broker **between Wednesday 1 May 2024 and 5:00 PM (CET) on Tuesday 21 May 2024**. When registering with ABN AMRO via www.abnamro.com/intermediary the relevant broker must provide, before 1.00 pm (CET) on Wednesday 22 May 2024, a statement giving the number of shares being registered for the meeting for the relevant Eligible meeting participant. On registering, brokers are requested to provide the full address details of the relevant Eligible meeting participants to enable ABN AMRO to perform an efficient check of their entitlement as at the Record Date. Eligible meeting participants will be sent an admission ticket for the meeting by ABN AMRO (via the relevant brokers), along with the details for the livestream.

If an Eligible meeting participant has not received an admission ticket in time then they (or their authorised representative) must report to the registration desk before the start of the meeting and provide a valid proof of identity. Provided their ID details match the details on the registration list they will be granted access to the meeting.

Holders of **depositary receipts** or a **participation account** (who are employed by ForFarmers or are members of Coöperatie FromFarmers (the “**Cooperative**”) as at the Record Date) can register themselves and/or request voting rights **from Wednesday 1 May 2024 until 5.00 PM (CET) on Friday 17 May 2024** via www.forfarmersgroup.eu.

PROXY AND VOTING INSTRUCTIONS

Eligible meeting participants who wish to be represented by a proxy can indicate this via www.abnamro.com/evoting when registering or must submit a signed proxy to ABN AMRO no later than **5:00 PM (CET) on Tuesday 21 May 2024** via ava@nl.abnamro.com. The authorised representative must provide a copy of the proxy at the registration desk prior to the meeting.

Proxy forms are available free of charge from the offices of ForFarmers N.V. and via the website (www.forfarmersgroup.eu). Notwithstanding the registration procedure as set out above, Eligible meeting participants can also choose to be represented by the independent third party IQ EQ Financial Services B.V., Hoogoorddreef 15, 1101 BA Amsterdam. Those wishing to do so can submit their voting instructions electronically to www.abnamro.com/evoting **up until 5:00 PM (CET) on Tuesday 21 May 2024**. Eligible meeting participants who are unable to submit their voting instructions electronically may also do so in writing. Forms for this purpose are available free of charge from the Company's offices and via the corporate website (www.forfarmersgroup.eu). The completed form must be returned to ABN AMRO by **5:00 PM (CET) on Tuesday 21 May 2024** via ava@nl.abnamro.com.

Holders of **depository receipts** or a **participation account** who are entitled to vote and wish to be represented can make this known **up until 5.00 PM (CET) on 17 May 2024** by sending an email to ava@forfarmers.eu.

Proxies who represent various shareholders, depository receipt holders or holders of participation accounts and who have received voting instructions, such that they are unable to vote the same way (*for, against, abstain*) on all shares they will be representing at the meeting are requested to contact ForFarmers N.V. before **5.00 PM (CET) on Tuesday 21 May 2024** (tel.: +31 573 28 88 00; email: ava@forfarmers.eu) to enable proper processing of the said instructions.

Based on the trust conditions of the ForFarmers Trust Office Foundation (the "**Foundation**"), the Cooperative issues voting instructions to the Foundation for shares held by the Foundation for which no depository receipt holder has requested voting rights. The Foundation follows said voting instructions and these shall therefore qualify as a vote cast on the relevant shares.

Those entitled to attend and vote at meetings have the option of being represented by the Cooperative (without voting instructions). A form for this purpose is available via the ForFarmers N.V. website. The Cooperative will then vote on the proposed resolutions as it sees fit. It should, however, be noted that if at any time the shares held by the Cooperative and parties affiliated with it represent less than 30% of the voting rights in the AGM then the Cooperative shall only accept proxies if and insofar as the percentage of the voting rights that it consequently represents, combined with the shares held by the Cooperative and parties affiliated with it and the number of shares for which it can issue voting instructions as referred to above, does not exceed 29.9%.

PROOF OF IDENTITY

Eligible meeting participants and their authorised representatives may be requested to provide proof of identity at the registration desk prior to being admitted to the meeting. We therefore request all those who attend to bring valid proof of identity along to the meeting (passport, ID card or driving licence).

WRITTEN QUESTIONS AND FOLLOW-UP QUESTIONS

Eligible meeting participants who are registered for the meeting can submit written questions regarding the agenda items until **10.00 AM (CET) on Wednesday 22 May 2024**. These questions can be emailed to ava@forfarmers.eu and will be answered before or during the meeting, with the answers being posted (as part of the minutes) on the Company's website or made accessible to the shareholders by means of electronic communication.

During the meeting there will also be an opportunity to ask (follow-up) questions by means of electronic communication. Further instructions for this will be given prior to the meeting. These (follow-up) questions will be answered during the meeting.

LIVESTREAM

Eligible meeting participants who are registered for the meeting can follow the meeting via livestream and will receive further instructions for this upon registering. During the livestream, Eligible meeting participants can ask questions by means of electronic communication. However, the livestream cannot be used to cast votes. Eligible meeting participants who follow the livestream and wish to vote will have to exercise their voting rights separately by proxy, as described above.
