

Policy Statement Quality

As ForFarmers we are committed to ensuring that our products and services meet the needs and requirements of our customers whilst maintaining the highest levels of Feed Safety.

This is achieved by the following key elements:

1. **Reliability** – we deliver on farm the Product Quality and Service to achieve the required results for our customers.
2. **Feed Safety** – we ensure the Feed Safety of our products and ensure that our employees are given the assistance and training required to achieve the relevant knowledge and experience.
3. **Compliance** – we are compliant with all relevant laws and regulations and the requirements of our assurance standards and market concepts.
4. **Continuous improvement** – we strive towards continuous improvement of all processes relating to Quality using defined KPIs.

The continued success of this policy requires total commitment from everyone within our organisation.
