FORWARD-LOOKING STATEMENTS

This press release contains forward-looking statements, including those relating to ForFarmers legal obligations in terms of capital and liquidity positions in certain specified scenarios. In addition, forward-looking statements, without limitation, may include such phrases as "intends to", "expects", "takes into account", "is aimed at", "plans to", "estimated" and words with a similar meaning. These statements pertain to or may affect matters in the future, such as ForFarmers future financial results, business plans and current strategies. Forward-looking statements are subject to a number of risks and uncertainties, which may mean that there could be material differences between actual results and performance and expected future results or performances that are implicitly or explicitly included in the forward-looking statements. Factors that may result in variations on the current expectations or may contribute to the same include but are not limited to: developments in legislation, technology, jurisprudence and regulations, share price fluctuations, legal procedures, investigations by regulatory bodies, the competitive landscape and general economic conditions. These and other factors, risks and uncertainties that may affect any forward-looking statements or the actual results of ForFarmers, are discussed in the last published annual report. The forward-looking statements in this press release are only statements as of the date of this document and ForFarmers accepts no obligation or responsibility with respect to any changes made to the forward-looking statements contained in this document, regardless of whether these pertain to new information, future events or otherwise, unless ForFarmers is legally obliged to do so.
