Lochem, 1 October 2018

ForFarmers completes acquisition Voeders Algoet in Belgium

ForFarmers has completed the acquisition of Voeders Algoet in Belgium, which was announced on 12 June 2018. The results of Voeders Algoet are consolidated in the ForFarmers results as of today.

Voeders Algoet is located in Zulte, close to the Belgian ForFarmers facilities, and sells on a yearly basis around 150,000 tonnes of compound feed to swine and ruminant farmers.

Company profile ForFarmers

ForFarmers Belgium is a subsidiary of ForFarmers N.V. ('ForFarmers', Lochem, the Netherlands). ForFarmers is an internationally operating feed company that offers total feed solutions for conventional and organic livestock farming. ForFarmers gives its very best "For the Future of Farming": for the continuity of farming and for a financially secure sector that will continue to serve society for generations to come in a sustainable way. By working side-by-side with farmers ForFarmers delivers real benefits: better returns, healthier livestock and greater efficiency. This is achieved by offering tailored and Total Feed solutions and a targeted approach with specialist and expert support.

ForFarmers has production facilities in the Netherlands, Belgium, Germany, the United Kingdom and as of July 2018 also in Poland. With sales of approximately 9.6 million tonnes of feed annually, ForFarmers is market leader in Europe. In 2017, ForFarmers had approximately 2,300 employees and revenues amounted to over €2.2 billion.

ForFarmers will be publishing its Third Quarter trading update on 1 November 2018.

FORWARD-LOOKING STATEMENTS

This press release contains forward-looking statements, including those relating to ForFarmers legal obligations in terms of capital and liquidity positions in certain specified scenarios. In addition, forward-looking statements, without limitation, may include such phrases as "intends to", "expects", "takes into account", "is aimed at", "plans to", "estimated" and words with a similar meaning. These statements pertain to or may affect matters in the future, such as ForFarmers future financial results, business plans and current strategies. Forward-looking statements are subject to a number of risks and uncertainties, which may mean that there could be material differences between actual results and performance and expected future results or performances that are implicitly or explicitly included in the forward-looking statements. Factors that may result in variations on the current expectations or may contribute to the same include but are not limited to: developments in legislation, technology, jurisprudence and regulations, share price fluctuations, legal procedures, investigations by regulatory bodies, the competitive landscape and general economic conditions. These and other factors, risks and uncertainties that may affect any forward-looking statements or the actual results of ForFarmers, are discussed in the last published annual report. The forward-looking statements in this press release are only statements as of the date of this document and ForFarmers accepts no obligation or responsibility with respect to any changes made to the forward-looking statements contained in this document, regardless of whether these pertain to new information, future events or otherwise, unless ForFarmers is legally obliged to do so.
